**American Cypress and Hardwood Joins the
Southern Cypress Manufacturers Association**

PITTSBURGH, February 27, 2013 – American Cypress and Hardwood, LLC, Gatesville, N.C., has joined the Southern Cypress Manufacturers Association (SCMA).

Founded in 2012, American Cypress and Hardwood is a supplier and exporter of high-quality cypress and hardwood lumber products.

“We are guided by old-fashioned principles and set apart by exceptional service,” said Christopher Sackett, the company’s president. “As our company grows, we are excited to help promote cypress as one of our nation’s most sustainable, durable, and renewable resources.”

For more information on American Cypress and Hardwood and the cypress products it offers, please visit www.CypressInfo.org.

The Southern Cypress Manufacturers Association is a 17-member, non-profit organization dedicated to providing promotional leadership for cypress manufacturers throughout the U.S. through its comprehensive website, regional tradeshow, and an extensive media campaign.
